STUDENT LIFE

Orientation programme:
International Affairs Department organizes an enjoyable calendar of meetings, cultural and leisure events to encourage integration between foreign and Italian students.

International students associations:
The International students associations welcome newcomers as mentor students and support the International Affairs Department in the organization of welcome activities.

Italian language courses:
The Language Centre (CLA) at the Politecnico di Torino offers free Italian language courses: from zero to fourth level. Zero, first and second level are provided also in streaming.

APPLICATION PROCEDURE

http://international.polito.it/admission/exchange_programmes/admission_procedure

Mobility timeline:

	Fall semester	Spring semester
Nomination deadline	May	November
Application deadline	May-June	End of November

Step 1:

Home University sends nomination through the nomination@polito tool (login instructions will be sent by e-mail), detailing:

- Student family name and first name
- Student e-mail address
- Mobility starting period and activity
- Field of study
- Contact person at the international office

Step 2:

After the nomination, students receive the instructions to fill in the on-line application form. Required documents to be attached:

- Copy of passport or ID card (EU citizens)
- Transcript of Records with GPA
- Proposal of Learning Agreement
- Language certificate*
- Project proposal (thesis/research only)

Step 3:

Evaluation of the application by the Mobility Board and final acceptance.

*Language requirements

Credit system:

Degree courses are structured in credits (Crediti Formativi Universitari – CFU). University credits are based on the workload students need in order to achieve the expected learning outcomes. Each credit corresponds to 25 hours of student workload, including independent study. The average workload of a full time student is conventionally fixed at 60 credits per year. Thus, the CFU fully coincide with the ECTS credits.
