

LIST OF TABLES

Table 3.1	$G(x;\lambda,\tau)$ and $R(x;\lambda,\tau)$ filters	26
Table 3.2	Selection and reconstruction results for Brain image	36
Table 3.3	Selection and reconstruction results for Lenna image	36
Table 3.4	Selection and reconstruction results for House image	36
Table 3.5	Contour coding results for Brain image	46
Table 3.6	Contour coding results for Lenna image	46
Table 3.7	Contour coding results for House image	46
Table 4.1	Curve fitting by polynomials	60
Table 4.2	Quality of image reconstructed by centipede model with respect to block length	64
Table 4.3	Compression results for various type of images	65
