

Erol Motel, Orhaniye, Turkey

Open 1st May - 1st October

Erol Motel and restaurant is family run, and situated in what many people say is the most beautiful bay on the entire turquoise coast of Turkey. Orhaniye is a small enchantingly peaceful village, and the three main occupations of the villagers are bee keeping, fishing and agriculture, (plus recently an amount of small-scale tourism).

The Motel is only 100 metres from the bay, offering clean, cozy rooms and delicious home-made Turkish cuisine.

We only have fifteen tastefully furnished guest rooms, each with private balconies, that do not overlook each other. All rooms have air conditioning and en-suite shower rooms.

We clean the guest rooms every day, with linen changed every three days - there is an optional fast laundry service available. If you are looking for peace and quiet in clean and tidy accommodation, Erol Motel is the perfect place for an unforgettable village holiday.

The swimming pool is one of the greatest features of the motel. The fresh water outdoor swimming pool is meticulously maintained, with full lounging facilities.

For our guests, there is a pool-side service available all day for drinks and meals. We also have a pool-bar, which serves a comprehensive range of drinks, from local beers, raki and spirits, to imported drinks and cocktails.

If you would like a bottle of wine with your meal, you can take your pick from the extensive and varied wine list.

Our Pool & Restaurant

Our tasteful and comfortable restaurant will seat 40 people. Guests can choose to have their meals in the large indoor restaurant, or outside in the beautiful garden setting. All dishes are cooked by Mama, using home-grown organic fresh vegetables from her own garden.

There is an extensive menu, which includes traditional Turkish and European cuisine, and all meals are served within the friendly family atmosphere that is the well-known trademark of our motel. In the motel, family members always serve you.

Orhaniye is a good base to explore the Bozburun peninsula. Turgot is the next small village along the coast. There is a beach and a few restaurants. Selimiye is the next village along the coast on the Bozborun road. This long village is set around a beautiful bay and has a good range of restaurants.

Sogut sprawls down the hillside to a beautiful bay. It is about 3km from the top of the village down to the bay. Bozborun is famous for its boatyard, and is a stop off point for many flotillas. It is a pretty, bustling town. There are several restaurants and shops to serve the sailing community. Bayir is situated high in the hills, and is signposted off the Bozborun road. It is famous for a large tree, that supposedly brings luck if you walk around it three times. Turunç is the nearest main resort. It is an attractive town set on the hillside above a sweeping sand and shingle beach.
